

Growth Plan for Geek Creative Agency

Prepared by: Mayuresh Mahale

Role: Performance Marketer

Objective

To increase qualified leads, improve brand visibility, and boost conversions through a performance-driven strategy over the next 12 weeks.

12-Week Growth Plan

Week 1: Audit & Research

- Analyze website traffic, social media engagement, and ad performance.
- Identify target audiences (startups, SMEs, enterprise brands).
- Set key performance indicators (CPL, ROAS, conversion rate).

Week 2: Strategy & Funnel Setup

- Build a full-funnel marketing plan: Awareness → Interest → Action.
- Plan landing pages for each service vertical.
- Develop lead magnets (e.g., free brand audit).

Week 3: Website Optimization

- Improve user experience and page speed.
- Add strong call-to-action buttons.
- Install heatmaps and session tracking tools.

Week 4: Launch Paid Ads

- Start Google Search campaigns for high-intent keywords.
- Launch Meta Ads (carousel and video formats).
- Run LinkedIn Ads targeting decision-makers.

Week 5: Content & SEO Boost

- Publish blog posts and case studies.
- Optimize website for SEO.
- Begin outreach for backlinks.

Week 6: Retargeting & Email Setup

- Launch retargeting ads for website visitors.
- Create segmented email drip campaigns.
- Nurture leads based on service interest.

Week 7: Social Media Push

- Post regularly on Instagram, LinkedIn, and YouTube.
- Share team culture, client wins, and creative work.
- Boost high-performing posts.

Week 8: Review & Improve

- Analyze campaign performance.
- Pause underperforming ads and scale winners.
- Update creatives and landing pages.

Week 9: Expand to New Cities

- Run geo-targeted ads in Mumbai, Delhi, and Dubai.
- Test new platforms like YouTube Ads and Reddit.
- Host a webinar or online event.

Week 10: Referral & Community

- Launch a referral program for existing clients.
- Create a private group for founders and marketers.
- Share exclusive insights and creative tips.

Week 11: Share Success

- Publish a campaign success story.
- Pitch it to marketing blogs and publications.
- Share across social media platforms.

Week 12: Final Review & Scale

- Present performance results and learnings.
- Plan next quarter's growth roadmap.
- Scale top-performing strategies.

Tools Used

- Google Ads, Meta Ads, LinkedIn Ads
- GA4
- Canva, ChatGPT

Closing Statement

This plan is designed to grow Geek Creative Agency in a smart, creative, and measurable way. I'm excited to bring performance and creativity together to help Geek reach new heights.
